Phone: 40-264-593833; Fax: 40-264-590818

Address: 23-35, B-1 21 Decembrie 1989, ap. 81, 400105, Cluj-Napoca, Romania

Date and place of birth: 27.06.1955; Cluj-Napoca, Romania

Nationality: Romanian; Civil Status: married; two children

Positions

1997-2020 (present) **professor**, Babeş-Bolyai University, Department of Chemistry;

Codirector with Acad. Prof. dr. Cristian Silvestru of the Center of Supramolecular Organic and Organometallic Chemistry, and leader of the Group of Organic and Supramolecular Chemistry (since 2010)

Director of the Chemistry Doctoral School (since 2012)

9-10/2012 invited professor (2 months) University of Montpellier 2 (France);

7/2009 invited professor (1 month) University of Angers (France);

8/2008 invited professor (1/2 month) Humboldt University (Berlin, Germany);

4-7/2005 invited professor (4 months) University of Rouen (France);

4-7/2004 invited professor (4 months) University of Rouen (France);

2-7/2003 invited professor (6 months) University of Rouen (France);

1-6/2002 invited professor (6 months) University of Rouen (France);

10/1999-1/2000 invited researcher (CNRS, 4 months) University of Rouen (France);

1995 - 1997 associate professor, Babeş-Bolyai University, Department of Chemistry;

1990-1995 lecturer, Babeş-Bolyai University, Department of Chemistry;

11/1994-8/1995 invited researcher, Instituto de Quimica de la UNAM (Mexico DF, Mexico)

CONACYT program;

1980-1990, chemistry teacher, High School for Informatics, Cluj-Napoca, Romania.

Education

1990-1993; PhD thesis in organic chemistry (PhD adviser: Prof. dr. Sorin Mager). Title: "Contributions to the conformational analysis of some 1,3-dioxane derivatives";

1979-1980, Master organic chemistry;

1975-1979, License in Chemistry.

Stages abroad (others then those mentioned at positions)

Short visits (scientific collaborations):

University of Rouen (France) (financed by this university): 1993 (1 month); 1995 (1 month); 1996 (1 month); 1998 (1 month); 2000 (two months);

University of Würzburg (financed by DAAD as experimented researcher): 1997 (three months); 2001 (two months); 2006 (two months).

Foreign Languages: French (excellent); English (very good), Hungarian (basic in writing and fluent for oral)

Awards: "C. D. Nenițescu" prize of the Romanian Academy for the original contributions concerning the „Conformational Analysis of 1,3-Dioxane Derivatives”; 1994 (co-authors: Sorin Mager, Mihai Horn and Dalila Kovacs)

Publications: 147 papers in ISI journals, **Hirsch factor:** 19, **total number of citations:** 1300

Researcher ID: B-8088-2011; **ORCID:** [0000-0003-3754-854X](https://orcid.org/0000-0003-3754-854X); the profile address from www.brainmap.ro: U-1700-038R-3925; Scopus Author ID: 35268398000

Invited lectures: (Rouen: June 19th 2003, Barcelona: February 16th 2005, Montreal: October 4th 2005, Lille: June 16th 2006; Heidelberg: August 21st 2006; Würzburg: September 20th 2006; Braunschweig: April 15th 2009; Humboldt, Berlin: July 8th 2009; Angers: July 1st 2009; Athens, Greece: May 17th 2010; Montpellier September 21st 2012; Braunschweig: June 25th 2014, Calgary: October 9th 2018).

Member of the American Chemical Society and of the Romanian Chemical Society

Member of the Editorial Board for Revue Roumaine de Chimie, Studia Universitatis Babes-Bolyai, Chemia and Open Journal of Organic Chemistry

PhD advisor since 1999; 28 defended thesis, 8 of them in joined programs with universities of France. Three thesis in cooperation with the University of Rouen [co-advisor Prof. dr. Gérard Plé; Mirela Balog (2004); Niculina Bogdan and Carmen Florian (2006), a thesis in collaboration with the University of Lille 2 [co-advisor prof. dr. Patricia Melnyk; Emilia Paunescu (2007)] and 4 thesis in collaboration with the University of Angers [co-advisor D.R. dr. Jean Roncali; Dora Demeter (2008), Flavia Piron (Pop) (2009), Ioana Dobra (2012), Andreea Diac (2015)]

Research group leader starting with 2004, leader of the Organic Chemistry Group (2004-present) and director (2004-2010) of the Research Center of Organic and Computational Chemistry with Applications in Nanotechnologies (CCOCCAN) and then **Codirector** (with Acad. prof. Cristian Silvestru) of the Center of Supramolecular Organic and Organometallic Chemistry (CCSOOM), Director or responsible of many national and international research grants
